Williamson Appointed to FAC Board

District 4 Commissioner Rob Williamson was appointed to the Florida Association of Counties Board of Directors by FAC President, Broward County Commissioner Barbara Sharief. Commissioner Williamson was selected to fill one of six At Large seats on the Board.

The FAC Board of Directors is elected based on Florida Senate districts with an additional six at-large directors appointed by the FAC President. This year the seats from odd districts were up for election at the FAC Annual Business Meeting at the 2015 Annual Conference & Educational Exposition.

“The Board of Directors is the leadership of the Association, they provide operational guidance as well as strategic vision for the future of FAC,” said FAC Executive Director Scott Shalley. “Commissioner Williamson’s experience as a leader in his community is a valuable asset to the Board.”

Directors are elected to serve two year terms while At Large seats are appointed annually. A list of the directors elected is below. For more information of the governance and leadership structure of the association please visit the website at www.fl-counties.com.
